

THE UNITED CHURCH OF CANADA NEWFOUNDLAND AND LABRADOR CONFERENCE

MARRIAGE POLICY

March 30, 2007
Updated December, 2014

**The United Church of Canada
Newfoundland and Labrador Conference
East and West Districts**

Policy for Licensing To Preside At Marriages

(Approved by Conference Executive March 30th, 2007)

Preamble

Marriage, while not a sacrament in The United Church of Canada, is a sacred commitment in the lives of the couple and the faith community. The presiding at a marriage by ministry personnel is always a function of ministry and therefore, always a part of the pastoral relationship and the covenant between the pastoral charge, the ministry personnel, and the district. The district holds, as part of its oversight, the pastoral charge and ministry personnel.

The Newfoundland and Labrador Conference Office is the religious authority recognized by the Province of Newfoundland and Labrador (Vital Statistics Department) for The United Church of Canada within the province. As such, the Conference Office makes the formal request to the Provincial Department for the licensing for ministry personnel to preside at marriages.

Permanent License to Conduct Weddings

Those within the Newfoundland and Labrador Conference who are eligible to hold permanent license to conduct weddings:

1. Ministry personnel on the Roll of the Districts and covenanted in a pastoral charge or district-recognized ministry.
2. Retired and/or retained ministry personnel on the Roll of District who is deemed by their respective districts to be fulfilling an approved pastoral function; (pastoral function, meaning approved by the congregation in which they are actively attending).
3. Ministers of other denominations who are serving as ordained or diaconal supply within the district when under district appointment, and when a license is requested on their behalf by the appointing district in accordance with Section I 1.3.7 of *The 2013 Manual*.

Temporary License to Conduct Weddings

1. Retired Lay Pastoral Ministers on the Roll of District who are deemed by their respective districts to be fulfilling an approved pastoral function: (pastoral function, meaning approved by the congregation in which they are actively attending.)
2. Students who are in the Ministry Based Program for Ordination or in the Lay Designated Ministry Program are licensed for marriages within the bounds of their pastoral charge and only after they have taken the sacraments course. (If students are asked to conduct weddings outside of the bounds of their pastoral charge, they may request temporary permission from the Conference Office (in accordance with the policy listed below).
3. Ministry personnel from other Conferences within The United Church of Canada who are in good standing and reside outside of Newfoundland and Labrador Conference.

Assumptions regarding Ministry Personnel who hold Licenses within the Newfoundland & Labrador Conference

1. If a ministry personnel receives a request to perform a wedding outside of the pastoral charge in which they are covenanted they shall:
 - ❖ Refer the couple requesting the marriage to the ministry personnel who has been settled in or appointed to that pastoral charge. It is the couple's responsibility to ask the incumbent minister if the guest ministry personnel can be invited to participate or conduct the marriage.
 - ❖ Receive the permission of that Session of the Church Board or Church Council and permission of the ministry personnel who has been settled in or appointed to that pastoral charge.
2. If the wedding is "off-site" meaning outside of the church building:
 - ❖ The ministry personnel shall have a conversation with the Minister of the closest pastoral charge about the permission to use the marriage register. If that marriage register is unavailable or the ministry personnel deems it more appropriate, the ministry personnel shall use the register of the congregation or district recognized ministry where they are serving.
 - ❖ If the marriage is taking place in the bounds of the ministry personnel's current pastoral charge the ministry personnel will use the register of the congregation or district recognized ministry where they are serving.

Procedure to be followed (for United Church Ministry Personnel from outside the Province of Newfoundland & Labrador to obtain a temporary license)

1. Send a written request to the Conference Office either by mail or email, attention: Executive Secretary.
2. As a follow-up to the written request, the Executive Secretary will forward the appropriate forms for completion and signature.
3. The Executive Secretary shall ensure that the ministry personnel are in good standing within The United Church of Canada, through the Conference that the person is currently serving.
4. Ministry personnel requesting a temporary license shall supply a letter of support from the ministry personnel serving the congregation in which the wedding is taking place.
5. For "off-site", non-church site weddings, ministry personnel requesting a license shall provide a letter of support from a congregation whose marriage register is being used to register the wedding.
6. All marriages shall be registered in a marriage register kept by a congregation or a district recognized ministry.

Procedure to be followed (for Ministry Personnel from other Denominations)

1. The Executive Secretary shall ensure that the ministry personnel are in good standing within their respective denomination, through the appropriate denominational staff person.
2. Ministry personnel requesting the temporary license shall supply a letter of support from the ministry personnel serving the congregation in which the wedding is taking place.
3. For "off-site", non-church site weddings, ministry personnel shall provide a letter of support from a congregation whose marriage register is being used to register the wedding.
4. All marriages shall be registered in a marriage register kept by a congregation or district-recognized ministry.

Please Note: All marriages performed under the auspice of The United Church of Canada must be recorded in a Marriage Registry.
